

San Diego IEEE Women In Engineering and
IEEE Women in Communications Engineering

PRESENT

IEEE WIE/WICE Panel on Global Innovation At GlobeCom 2015

Tuesday, December 8th
12:15 – 2:00 PM
Aqua Salon C
Hilton Bayfront Hotel

Join us for lunch presentations, WICE awards and networking with industry and educational leaders. We've also carefully crafted an incredible panel of industry leaders who are prepared to arm you with new strategies and insights on the topic of **Global Innovation**.

Think about it - what is the impact of globalization on innovation? How is innovation nurtured across the world? Are governments, companies, schools taking advantage of access to technologies and ideas to further innovation? We will hear from a panel of industry experts on efforts at various levels in the engineering and technology communities to define, evolve and advance innovation.

Look forward to seeing you there - please join us!

Speakers

Susie Armstrong

Senior Vice President,
Engineering at QUALCOMM Inc

Patti Robb

Head of Strategic IP and
Advanced Platforms, Internet
Of Things Group at Intel
Corporation

Martha Dennis
