IEEE Communications Society GLOBECOM Expo 2015 Rules

1. Sponsor.
The word "Sponsor" as used herein shall mean IEEE ComSoc ("IEEE COMMUNICATIONS SOCIETY"). In all matters pertaining to the exhibit, the actions of the Sponsor shall be taken by IEEE COMMUNICATIONS SOCIETY Show Management whose decisions shall be final and binding on all parties.

2. Eligible Exhibits.
IEEE COMMUNICATIONS SOCIETY Exhibits are by definition educational events. These events are intended to update communications industry personnel with the latest technological developments through exhibits and technical panels. Exhibitors are limited to organizations and agencies whose exhibits are in harmony with the purpose of this Exposition. IEEE has the sole right to determine the eligibility of any company or product for inclusion in the Exposition.

3. Appearance.
Displaying an unfinished surface to neighboring booths will not be permitted and the offending exhibitor will be responsible for masking off unsightly areas at their own expense.

4. Booth Location.
The exhibitor shall accept such modifications in position and area as circumstances may call for. Possible complaints regarding the allocated exhibit booth are to be lodged before the space is occupied.

5. Cancellation or Change of Venue by Sponsor.
In the event that the premises in which the Exposition is conducted should become unfit for occupancy or substantially interfered with by reason of any cause for causes not reasonably within the control of IEEE
Communications Society or its agents, the Exposition may be canceled or moved to another venue, at the sole discretion of IEEE Communications Society. IEEE Communications Society shall not be responsible for delays, damage, loss, increased costs, or other unfavorable conditions arising by virtue of cause or causes not reasonably within the control of IEEE Communications Society.

6. **Limitation of Liability.**  
The exhibitor agrees to make no claim for any reason whatsoever, including negligence, against the Sponsor, its members or agents or employees or the lessors or owners of the exhibit premises for loss, theft, damage or destruction of property; nor for any injury to exhibitors or exhibitor's employees, agents or invitee while in the exhibition facility. Fire and theft insurance, if so desired, should be taken out by each exhibitor at his own expense.

7. **Defacing of Building.**  
Exhibitors are liable for any damage caused by fastening displays or fixtures to the building floors, walls, or to the standard booth equipment, or for damage caused in any other manner. See the facility rules and regulations.

8. **Removal of Goods.**  
Goods on exhibition may not be removed during the exhibition except by special permission of the Sponsor. Hours and dates for dismantling shall be specified by IEEE Communications Society. Exhibitor shall be liable for all storage and handling charges resulting from failure to remove exhibit material from the Exposition before the specified conclusion of the dismantling period set by IEEE Communications Society.

9. **Display Dimensions.**  
Maximum exhibit height for booths is 8 feet (2.44m). All display fixtures and equipment over 4 feet (1.22m) in height and placed within 10 lineal feet (3.05m) of an adjoining exhibit, must be confined to that area of the exhibitor's space which is at least 5 feet (1.52m) from the aisle line (refer to Diagram A for a standard booth).

10. **DVD Players/Sound devices.**  
Sound of any kind must not be projected outside the confines of the exhibit booth. If sound is determined by Show Management to project into the aisle or another booth, the exhibitor will not be allowed further use of the sound projection device. If DVD players / Monitors are used, all viewers (exhibit attendees) must be within the booth and not in the aisle.

11. **Music Licensing.**  
Any exhibitor playing music must have entered into a Music License Agreement with the American Society Composers, Authors, & Publishers (ASCAP) and Broadcast Music Incorporated (BMI). These two organizations license the performing rights to most of the copyrighted music played in the U.S. today. The Sponsor is not responsible for any licensing fees for music played in exhibitor's booth. Exhibitors are required by U.S. Copyright Law to obtain a music license agreement for any music performed outside the exhibit hall (i.e., hospitality suites, special events, etc.).

12. **Congestion of aisle traffic.**  
Aisles must not be obstructed at any time. Exhibitors may not conduct any activity that leads to congestion or obstruction of aisles.

13. **Photography.**  
An exhibitor may not photograph or videotape the exhibits or products of other exhibitors without that exhibitor's approval.

14. **Rejected Displays.**  
The exhibitor agrees that his exhibit shall be admitted and shall remain during show days solely on strict right of sponsor to reject, eject or prohibit any exhibit in whole or in part. If an exhibit or exhibitor is ejected for violation of these rules or for any other stated reason, no return of rental shall be made.

15. **Use of IEEE COMMUNICATIONS SOCIETY's Logo.**  
Exhibitors may use the IEEE Communications Society show logo to promote their participation in the show.

16. **Americans with Disabilities Act.**  
Exhibitor represents and warrants (i) that its exhibit will be accessible to the full extent required by law; (ii) that its exhibit will comply with Americans with Disabilities Act ("ADA") and with any regulations implemented by that Act; and (iii) that it shall indemnify and hold IEEE Communications Society harmless from and against any and all claims and expenses, including attorneys' fees and litigation expenses, that may be incurred by or asserted against IEEE.
Communications Society, its officers, directors, agents or employees on the basis of Exhibitor's breach of this paragraph or non-compliance with any of the provisions of the ADA.

17. Exhibitor Representatives Responsibility.
Each exhibitor must name one person to be his representative in connection with installation, operation and removal of exhibit. Such representative shall be authorized to enter into such service contracts as may be necessary, and for which the exhibitor shall be responsible. Exhibitor representatives are restricted to personnel engaged in the display, demonstration, application or sale of the company's product or services. All booths must be manned during stated exhibit hours.

Exhibitor agrees to indemnify IEEE Communications Society, its employees, agents, or representatives against—and hold them harmless for—all claims arising out of the acts of negligence of exhibitor, exhibitors’ agents, employees, or representatives, and any claims for injury to exhibitor, its employees, agents, representatives, or event attendees.

18. Character of Displays.
Distribution of samples and printed matter of any kind, or any promotional material, is restricted to the confines of the exhibit booth. Decals or stickers with pressure sensitive adhesives are prohibited. Noise makers or anything not in keeping with the technical character and high standards of the Sponsor may not be distributed or utilized by any exhibitor in the exhibit area. No demonstrations or solicitations shall be permitted outside of the Exhibitor's assigned space, and no signs, banners, company or product logos, or placards may be displayed on persons or otherwise outside exhibit spaces.

Exhibitors must comply with union work rules where applicable.

20. Attendance.
The Sponsor shall have sole control over attendance policies at all times.

Unless otherwise consented to in advance by the Sponsor, exhibitors may not sublet their space without the expressed written consent of the Sponsor, and each sublessor must contract with and be approved by the Sponsor. Exhibitors may not sublet their space for an amount in excess of the square footage amount charged by the Sponsor.

22. Fire & Safety Laws.
Federal, state and city laws must be strictly observed. Cloth decorations must be flameproof. Wiring must comply with fire department and underwriters' rules. Smoking in exhibits may be forbidden. Crowding will be restricted. Aisles and fire exits cannot be blocked by exhibits. No decorations of paper, pine boughs, leafy decorations or tree branches are allowed. Smoke alarms and ABC-type fire extinguisher will be required in two-story ("double-decker") booths.

23. Occupancy/Occupancy Default.
The exhibitor may not occupy the exhibit until the rent is paid in full. The exhibitor must occupy his booth during stated show hours. Any exhibit that is dismantled and/or unoccupied prior to the official closing of the show shall be subject to expulsion from other IEEE Communications Society shows.

Any exhibitor failing to occupy space contracted for shall not be relieved of the obligation of paying the full rental charge of such space. If not occupied by the time set for completion of the installation of the displays, such space shall be taken by IEEE Communications Society, and re-allocated or reassigned for such purposes or use IEEE Communications Society may see fit.

24. Failure to Hold Exhibit.
In the event the exhibit is not held for any reason, the Sponsor may retain such part of exhibitor's rental that is required to recompense the Sponsor for expenses incurred up to the time such contingency shall have occurred. IEEE Communications Society shall not be responsible for delays, damage, loss, increased costs, or other unfavorable conditions arising by virtue of cause or causes beyond the control of IEEE Communications Society. Causes for such action shall include, but not be limited to: fire, casualty, flood, epidemic, earthquake, explosion, accident, blockage, embargo, inclement weather, governmental restraints, act of a public enemy, riot or civil disturbance, impairment of lack of adequate transportation, inability to secure sufficient labor, technical or other
personnel, labor union disputes, or act of God. Should IEEE Communications Society terminate this agreement pursuant to the provisions of this section, the exhibitor waives claims for damage arising therefrom.

25. Exhibit Removal.
Objects that have been left behind in the exhibit space after the last date for removal stated in the contract may be removed by the Sponsor on the responsibility and at the expense of the exhibitor.

No flammable fluids or materials of any nature, including decorative materials, use of which is prohibited by national, state, or city fire regulations may be used in any booth.

27. Alcoholic Beverages.
The dispensing, distribution or use of alcoholic beverages in the Exposition hall is prohibited without the express prior approval of IEEE.

28. Compliance with Laws.
Exhibitors must comply with all laws, rules, regulations and ordinances in force.

29. Solicitation of Gratuities.
Under no circumstances will the solicitation of gratuities by service personnel for special favors or services be tolerated by the Sponsor. Nor, shall the solicitation by exhibitors of service personnel for special favors or services be tolerated by the Sponsor. All Exhibitors will have all necessary services rendered equally as provided for in the Exhibitor Service Manual. All forms, payments, and procedures must be adhered to at all times.

30. Cancellation of Exhibit Space.
If an exhibitor cancels or reduces space at any time before July 30, 2015, 50% of any payments made on the space canceled or the portion reduced up until that point in time is refundable. A reduction of exhibit space shall be looked upon as a cancellation of existing space and exhibitor will be relocated based on the judgment of Show Management. Notices of such cancellation/reductions of space must be made in writing and received via registered or certified mail. If an exhibitor cancels/reduces space after July 30, 2015, it is mutually agreed that the exhibitor will not be entitled to any refund. In the event of a full or partial cancellation of space by an exhibitor, IEEE Communications Society reserves the right to reassign canceled booth space, regardless of the cancellation assessment. Subsequent reassignment of canceled space does not relieve the canceling exhibitor of the obligation to pay the cancellation assessment.

31. Violation of above rules.
Exhibitor, for himself or itself, his or its personnel, employees, agents or representatives, agrees to abide by the forgoing rules and those provided and contained in the Exhibitors Manual, and by any amendments and additional rules that may be put into effect by IEEE Communications Society. If an exhibitor is in violation of one or more of the rules listed above, the exhibitor may be asked to leave the show, removing his exhibit at his own expense and will jeopardize his right to exhibit in future IEEE Communications Society events.

32. Amendment to Rules.
Any and all matters or questions not specifically covered by the preceding rules and regulations shall be subject solely to the decision of the Sponsor. These rules and regulations may be amended at any time by the Sponsor and all amendments so made shall be binding on exhibitors equally with the foregoing rules and regulations.

AVOID DELAY
Ship early to avoid delays. Shipments arriving late at show site will cost you money, time and business!

SAFETY TIPS
Use a ladder, not a chair. Standing on chairs, tables and other rental furniture is unsafe and can cause injury to you or to others. These objects are not designed to support your standing weight.

Be aware of your surroundings. You are in an active work area with changing conditions during move-in and move-out. Pay attention. Look for obstacles, and machinery and equipment that are in use.

Keep your eyes open for scooters and forklifts. The drivers of these vehicles may not be able to see you.

Stay clear of dock areas, trucks and trailers. These areas can be particularly dangerous.

Prevent electrical shocks, falling items and damage to materials. Do not attach items or equipment to the drapes or metal framework provided for your booth. This can cause serious injury or damage to materials.

We discourage children from being in the exhibit hall during installation and dismantle. If children are present during installation and dismantle, they must be supervised by an adult at all times.

Freeman does not ship or handle Hazardous Materials. If any materials you are shipping to the event fall into this category, please contact Freeman to be sure the material will be allowed at the facility and by the association. In addition, if authorized by the facility and the association, you will need to make separate arrangements for the transport and handling of the approved materials, since Freeman will not transport or handle them.

The operation or use of all motorized lifts and motorized material handling equipment for installation/dismantle of exhibits is NOT permitted by exhibitors or by their exhibitor appointed contractors (EAC’s). Thank you for your cooperation.

Green Tips for Exhibitors

Interested in going Green and saving money with your exhibit booth? Follow these tips to assist you in making your sustainable booth strategies at least cost-neutral, and possibly cost-saving!

**Supplies and Ordering**
- Order exhibit supplies early and utilize online ordering systems to eliminate paper waste.
- Consider renting a booth from Freeman or buying materials locally, preventing shipping cost and lowering emissions.
- Rent Freeman Classic Carpet which contains recycled content and is also recyclable.
- Provide giveaways made of recycled, responsibly grown natural fiber, nontoxic and biodegradable materials. Ensure giveaways are useful, not merely promotional in nature. Electronic Giveaways are smart and trendy, like a USB storage drive with your content already loaded.

**Printing, Recycling and Waste Management**
- Encourage less printing and provide more information digitally when it comes to booth literature, fulfilling requests via email and website referrals.
- If you need to print, use a local printer in the city where the show will be held and choose paper that contains at least 50% post-consumer recycled content.
- Ask Freeman about new paper-based signage materials that are comparably priced to plastic. There are good alternatives to foam core and PVC which are not as easily recyclable.
- Participate in the exhibit donation program by providing materials that are eligible for donation to local charities, such as pens, bags and notepads.

**Shipping and Transportation**
- If you must ship materials, planning out your booth in a timely way to meet shipping deadlines can also help maximize consolidation and cost-savings.
- Choose a SmartWay™-certified hauler at no additional cost to ensure your transportation company is practicing sustainable shipping.
- Set a goal to leave no trace behind by shipping out all booth properties and packing materials and donating extra giveaways thereby minimizing any waste for the show.
- If you are attending another trade show that many of your fellow exhibitors are also participating in, ask your General Service Contractor or Show Management to set up a caravan service to save on fuel emissions—and cost of transportation.

**Personnel and Best Practices**
- Take advantage of local or regional representatives to staff your booth, rather than bringing staff from far away offices, reducing travel cost.
- Bring Green as part of your company message providing recycling bins in your booth and information on what you have done to exhibit in a sustainable way.

These steps can help as we all strive to make smarter and more environmentally sound decisions. For more information on the Freeman Sustainability Initiative, contact [goinggreen@freemanco.com](mailto:goinggreen@freemanco.com)

PAYMENT & LABOR

YOU ARE ENTERING A CONTRACT WHICH LIMITS YOUR POSSIBLE RECOVERY IN CASE OF LOSS OR DAMAGE. The terms and conditions set forth below become a part of the Contract between Freeman and you, the Exhibitor. Acceptance of said terms and conditions will be construed when any of the following conditions are met:

• THE METHOD OF PAYMENT FORM IS SIGNED; OR
• AN ORDER FOR LABOR, SERVICES AND/OR RENTAL EQUIPMENT IS PLACED BY EXHIBITOR WITH FREEMAN; OR
• WORK IS PERFORMED ON BEHALF OF EXHIBITOR BY FREEMAN.

DEFINITIONS
For purposes of this Contract, Freeman means Freeman Expositions, Inc. and its respective employees, directors, officers, agents, assigns, affiliated companies, and related entities including, but not limited to, any subcontractors Freeman may appoint. The term “Exhibitor” means the Exhibitor, its employees, agents, or representatives.

PAYMENT TERMS
Full payment, including any applicable tax, is due in advance or at show site. All payments must be in U.S. funds and all checks must be drawn on a U.S. bank. Orders received without advance payment or after the deadline date will incur additional After Deadline charges as indicated on each order form. All materials and equipment are on a rental basis for the duration of the show or event and remain the property of Freeman except where specifically identified as a sale. All rentals include delivery, installation, and removal from Exhibitor’s booth. In case of cancellation of any orders or services by Exhibitor, a one-hour “per person, per hour” charge will be applied for all labor orders that are not canceled in writing at least 24 hours prior to the scheduled start time. If Prestige Carpet, Custom-Cut Carpet, Modular Rental Exhibits and any other custom-order items or services have already been provided at the time of cancellation, fees will remain at 100% of the original charge. If the Show or Event is canceled because of reasons beyond Freeman’s control, Exhibitor remains responsible for all charges for services and equipment provided up to and including the date of cancellation. Freeman will not issue refunds to Exhibitor of any payments made before the date of cancellation. It is Exhibitor’s responsibility to advise the Freeman Service Center Representative of problems with any orders, and to check the Exhibitor’s invoice for accuracy prior to the close of the Show or Event. If Exhibitor is exempt from payment of sales tax, Freeman requires an exemption certificate for the State in which the services are to be used. Resale certificates are not valid unless Exhibitor is rebilling these charges to its customers. For International Exhibitor’s, Freeman requires 100% prepayment of advance orders, and any order or services placed at show site must be paid at the show. For all others, should there be any pre-approved unpaid balance after the close of the show; terms will be net, due and payable in DALLAS, TEXAS upon receipt of invoice. Effective 30 days after invoice date, any unpaid balance will bear a FINANCE CHARGE at the lesser of the maximum rate allowed by applicable law, or 1.5% per month, which is an ANNUAL PERCENTAGE RATE of 18%, and future orders will be on a prepaid basis only. If any finance charge hereunder exceeds the maximum rate allowed by applicable law, the finance charge shall automatically be reduced to the maximum rate allowed, and any excess finance charge received by Freeman shall be either applied to reduce the principal unpaid balance or refunded to the payer. If past due invoices or invoice balances are placed with a collection agency or attorney for collection or suit, Exhibitor agrees to pay all legal and collection costs. THESE PAYMENT TERMS AND CONDITIONS SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS. In the event of any dispute between the Exhibitor and Freeman relative to any loss, damage, or claim, such Exhibitor shall not be entitled to and shall not withhold payment, or any partial payment, due to Freeman for its services, as an offset against the amount of any alleged loss or damage. Any claims against Freeman shall be considered a separate transaction, and shall be resolved on its own merits. Freeman reserves the right to charge Exhibitor for the difference between the Exhibitor’s estimate of charges and the actual charges incurred by Exhibitor, or for any charges that Freeman may be obligated to pay on behalf of Exhibitor, including without limitation, any shipping charges. If Exhibitor provides a credit card for payment and charges are rejected by the Exhibitor’s credit card company for any reason, Freeman hereby provides notice that it reserves the right, and Exhibitor authorizes Freeman, to continue to attempt to secure payment through that credit card for as long as unpaid balances remain on the Exhibitor’s account.

ELECTRICAL
Claims will not be considered, or adjustments made unless filed in writing, by Exhibitor, prior to the close of the event. Freeman is not responsible for any damage, loss, injury or loss of power beyond its control and Exhibitor agrees to hold Freeman, its officers, directors, employees and agents harmless from such power loss. IN NO EVENT SHALL FREEMAN BE LIABLE FOR ANY INDIRECT OR CONSEQUENTIAL DAMAGES (INCLUDING WITHOUT LIMITATION LOST PROFITS) EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, WHETHER UNDER THEORY OF CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCTS LIABILITY OR OTHERWISE. Exhibitor shall indemnify and hold harmless Freeman, its officers, directors, employees, and agents from and against any and all claims, liabilities, damages, fines, penalties or costs of whatsoever nature (including reasonable attorneys’ fees) arising out of or in any way connected with Exhibitor’s actions or omissions under this Agreement.

LABOR UNDER THE SUPERVISION OF EXHIBITOR RESPONSIBILITIES:
Exhibitor shall be responsible for the performance of labor provided under this option. It is the responsibility of Exhibitor to supervise labor secured through Freeman in a reasonable manner as to prevent bodily injury and/or property damage and also to direct them to work in a manner that is in compliance with Freeman’s Safe Work Rules and/or Federal, State, County and Local ordinances, rules and/or regulations, including but not limited to Show or Facility Management’s rules and/or regulations. It is the responsibility of Exhibitor to check in with the Service Desk to pick up labor, and to return to the Service Desk to release labor when the work is completed.

INDEMNIFICATION:
Exhibitor agrees to indemnify, hold harmless, and defend Freeman from and against any and all demands, claims, causes of action, fines, penalties, damages, liabilities, judgments, and expenses (including but not limited to reasonable attorneys’ fees and investigation costs) arising out of or occasioned by the acts or omissions of Exhibitor. The Exhibitor’s indemnification of Freeman includes any and all violations of Federal, State, County or Local ordinances, Show or Event Regulations and/or Rules as published and/or set forth by Facility or Show Management, and/or directing labor provided by Freeman to work in a manner that violates any of the above rules, regulations, and/or ordinances.

IMPORTANT
PLEASE REFER TO FREEMAN’S “MATERIAL HANDLING TERMS & CONDITIONS” AS IT RELATES TO MATERIAL HANDLING SERVICES AND TO THE “SERVICE REQUEST & SHIPPING INSTRUCTIONS CONTRACT” AS IT RELATES TO TRANSPORTATION SERVICES. CONTRACT TERMS DEPEND ON THE NATURE OF SERVICES SECURED BY EXHIBITOR THROUGH FREEMAN. TERMS & CONDITIONS MAY VARY FOR EACH TYPE OF SERVICE ORDERED THROUGH FREEMAN.

As the official service contractor, Freeman is the exclusive provider of freight services. Material handling includes unloading your exhibit material, storing up to 30 days in advance at the warehouse address, delivering to the booth, the handling of empty containers to and from storage, and removing of material from the booth for reloading onto outbound carriers. It should not be confused with the cost to transport your exhibit material to and from the convention or event. You have two options for shipping your advance freight — either to the warehouse or directly to show site.

**How do I ship to the warehouse?**
- We will accept freight beginning 30 days prior to show move-in.
- To check on your freight arrival, call Exhibitor Services at the location listed on Quick Facts.
- To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed on Quick Facts. Your freight will still be received after the deadline date, but additional charges will be incurred.
- The warehouse will receive shipments Monday through Friday, except holidays. Refer to Quick Facts for warehouse hours. No appointment is necessary.
- The warehouse will accept crates, cartons, skids, trunks/cases and carpets. Loose or pad-wrapped material must be sent directly to show site.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Certified weight tickets must accompany all shipments.
- Warehouse freight will be delivered to the booth prior to exhibitor set up.

**How do I ship to show site?**
- Freight will be accepted only during exhibitor move-in. Please refer to Quick Facts for the specific exhibitor move-in dates and times.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Certified weight tickets must accompany all shipments.
- What about prepaid or collect shipping charges?
  - Collect shipments will be returned to the delivery carrier.
  - To ensure that your freight does not arrive collect, mark your bill of lading “prepaid.”
  - “Prepaid” designates that the transportation charges will be paid by the exhibitor or a third party.

**How should I label my freight?**
- The label should contain the exhibiting company name, the booth number and the name of the event.
- The specific shipping address for either the warehouse or show site is located on Quick Facts.

**How do I estimate my Material Handling charges?**
- Charges will be based on the weight of your shipment. Each shipment received is considered separately. The shipment weight will be rounded to the next 100 pounds. Each 100 pounds is considered one “cwt.” (one hundred weight). All shipments are subject to reweigh.
- On the Order Form, select whether the freight will arrive at the warehouse or be sent directly to show site.
- Next, select the category that best describes your shipment. There are four categories of freight:
  - **Crated:** material that is skidded or is in any type of shipping container that can be unloaded at the dock with no additional handling required.
  - **Special Handling:** material delivered by the carrier in such a manner that it requires additional handling, such as ground unloading, stacked and constricted space unloading, designated piece unloading, loads mixed with pad-wrapped material, loads failing to maintain shipping integrity, and shipments that require additional time, equipment or labor to unload. Federal Express and UPS are included in this category due to their delivery procedures.
  - **Uncrated:** material that is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting points.
  - **Carpet and/or Pad Only:** shipments that consist of loose carpet and/or padding only require additional labor and equipment to unload.
- Add overtime charges for inbound if material is delivered to the booth during the overtime period stated on Quick Facts. This includes both warehouse and show site shipments.
- Add overtime charges for outbound if material is loaded onto the outbound carrier during the overtime period stated on Quick Facts.
- Add the late delivery charge listed on the Order Form if the shipment is accepted at the warehouse or at show site after the deadline date listed on Quick Facts.
- The above services, whether used completely or in part, are offered as a package and the charges will be based on the total inbound weight of the shipment.
- Shipments received without receipts or freight bills, such as UPS and Federal Express, will be delivered to the booth without guarantee of piece count or condition.

**What happens to my empty containers during the show?**
- At the close of the show, the empty containers will be returned to the booth in random order. Depending on the size of the show, this process may take several hours.

**How do I protect my materials after they are delivered to the show or before they are picked up after the show?**
- Consistent with trade show industry practices, there may be a lapse of time between the delivery of your shipment(s) to your booth and your arrival. The same is true for the outbound phase of the show — the time between your departure and the actual pick-up of your materials. During these times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or that you hire security services to safeguard your materials.

**How do I ship my materials after the close of the show?**
- Each shipment must have a completed Material Handling Agreement in order to ship materials from the show. All pieces must be labeled individually.
- To save time, complete and submit the Outbound Shipping Form in advance, or prior to show closing.
- After materials are packed, labeled, and ready to be shipped, the completed Material Handling Agreement must be turned in at the Service Center.
- Call your designated carrier with pick-up information. Please refer to Quick Facts for specific dates and times. In the event your selected carrier fails to show on final move-out day, your shipment will either be rerouted on Freeman’s carrier choice or delivered back to the warehouse at the exhibitor’s expense.

**For your convenience, show recommended carriers will be on site to handle outbound transportation.**

**Where do I get a forklift?**
- Forklift orders to install or dismantle your booth after materials are delivered may be ordered in advance or at show site. We recommend that you order in advance to avoid additional charges at show site. Refer to the Order Form for available equipment.
- Advance and show site orders for equipment and labor will be dispatched once a company representative signs the labor order at the Service Center.
- Start time is guaranteed only when equipment is requested for the start of the working day.

**Do I need insurance?**
- Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can be done by riders to your existing policies.
- All materials handled by Freeman are subject to the enclosed Terms and Conditions.

**Other available services** (may not be available in all locations)

- Scissor lifts, condors
- Access storage at show site

SPECIAL HANDLING DEFINITIONS

Special handling applies to shipments that are loaded by cubic space and/or packed in such a manner as to require additional labor/handling, such as ground unloading, constricted space unloading, designated piece unloading, or stacked shipments. Also included are shipment integrity, alternate delivery locations, mixed shipments, and shipments without individual bills of lading. Shipments loaded in this manner require additional time, labor, or equipment, to unload, sort and deliver.

What is Ground Loading/Unloading?
Vehicles that are not dock height, preventing the use of loading docks, such as U-hauls, flat bed trailers, double drop trailers, company vehicles with trailers that are not dock level, etc.

What is Constricted Space Loading/Unloading?
Trailer loaded “high and tight” shipments that are not easily accessible. Freight is loaded to full capacity of trailer – top to bottom, side to side. One example of this is freight that is loaded down one side of a trailer that must be bypassed to reach targeted freight.

What is Designated Piece Loading/Unloading?
Drivers that require the loading crew to bring multiple pieces of the freight to the rear of the trailer to select the next piece, having to remove freight from the trailer then reload to fit or the trailer must be loaded in a sequence to ensure all items fit.

What are Stacked Shipments?
Shipments loaded in such a manner requiring multiple items to be removed to ground level for delivery to booth. Stacked or “cubed out” shipments, loose items placed on top of crates and/or pallets constitute special handling.

What is Shipment Integrity?
Shipment integrity involves shipments on a carrier that are intermingled, or delivered in such a manner that additional labor is needed to sort through and separate the various shipments on a truck for delivery to our customers.

What is Alternate Delivery Location?
Alternative delivery location refers to shipments that are delivered by a carrier that requires us to deliver some shipments to different levels in the same building, or to other buildings in the same facility.

What are Mixed Shipments?
Mixed shipments are defined as shipments of mixed crated and uncrated goods, where the percentage of uncrated is minimal and does not warrant the full uncrated rate for the shipment, but does require special handling. Freeman defines special handling for mixed loads as having less than 50% of the volume as uncrated.

What does it mean if I have “No Documentation”?
Shipments arrive from a small package carrier (including, among others, Federal Express, UPS & DHL) without an individual Bill of Lading, requiring additional time, labor and equipment to process.

What is the difference between Crated and Uncrated Shipments?
Crated shipments are those that are packed in any type of shipping container that can be unloaded at the dock with no additional handling required. Such containers include crates, fiber cases, cartons, and properly packed skids. An uncrated shipment is material that is shipped loose or pad-wrapped, and/or unskidded without proper lifting points.

What about carpet only shipments?
Shipments that consist of loose carpet and/or padding only require additional labor and equipment to unload.

CUSTOMER GUIDELINES FOR SUBMITTING GRAPHICS ARTWORK

Our goal is to provide you with the best possible quality graphics for your event or exhibit. You can help us in that effort by providing digital art files using the following guidelines. If you are sending us completed, print-ready files, please pass the following information on to your graphics designer or art department. Two overall considerations for submitting acceptable artwork involves proper resolution or size of the file to avoid poor quality images, and proper color matching information and proofs to ensure accurate color reproduction.

PLEASE PROVIDE THE FOLLOWING WHEN SUBMITTING ART

RASTER ART (photos, logos containing any continuous tone images):
- Art submitted at 1:1 (100%), resolution should be no less than 60 dpi (100 dpi preferred)
- Art submitted at 2:1 (50%), resolution should be no less than 120 dpi (200 dpi preferred)
- Art submitted at 4:1 (25%), resolution should be no less than 240 dpi (400 dpi preferred)

VECTOR ART:
- Logos should be vector and have outlined fonts (if provided as bitmap, please use high-res images)

FONTS and LINKS
- Supply all fonts used in your design (zip Mac fonts). If unsure how to collect fonts, convert them to outlines
- Supply all links used in your document. Use packaging feature if available. If unsure how to collect links, embed them in the file when saving.

COLOR
- If PMS color matching is required, please use original Pantone + Solid Coated swatches in your artwork. Modifying Pantone names will result in printing default color (CMYK)
- CMYK artwork will be produced "As Is". Our color output is balanced and vibrant.
- Convert RGB art to CMYK if possible.
- If you are sending Certified Color Proofs (Gracol, Swop, Fogra), please provide ICC file information used to print your samples. Best option would be to include ICC chart on your prints.

ARTWORK IN THE STRUCTURE
- Please note that any panels going in the metal frame will hide 1/4" of your art all the way around. If you have a continuous wall where individual panels are divided by metal, use 1.25" spacing in between each panel to account for gaps and the natural flow of the graphics.

ACCEPTABLE FILE SOFTWARE

We are capable of working with both PC and MAC based software, and can accept art created with the ADOBE Creative Suite - Illustrator, InDesign, and Photoshop

Always provide the following:
- Native files with fonts and links (zipped)
- High-res PDF-X/4 exports of the files

ACCEPTABLE FILE TYPES and SUPPORT FILES

NATIVE FILES:
- AI CLOUD (CC) file with Packaged supporting links and fonts. You may keep images linked but Packaging feature must be used.
- AI (CS6, CS5, CS4...) file with embedded links and outlined fonts
- EPS file with embedded links and outlined fonts
- INDD file with Packaged supporting links and fonts

PRINT FILES:
- High-res PDF-X/4 (preferred)
- AI with PDF content (choose this option when saving file)
- EPS files with embedded links and outlined fonts

RASTER OR BITMAP ART:
- Photoshop EPS (preferred, use 8-bit preview, Max, Quality JPG compression)
- PSD (make sure font layers are rasterized)
- TIFF, JPG (quality 8 and higher)

Mac users: Use Zip or Stuffit programs when submitting fonts other than OTF (Open Type Fonts)

WAYS TO SEND ARTWORK

Files below 10 MB can be delivered via email. Larger files may be posted to Freeman’s FTP site. You may get the password and other needed information from your Freeman service representative in order to post files. However, a hard copy proof and backup of the files on CD-Rom/DVD may be required to be sent via overnight delivery in addition to posting the electronic files. UNION REGULATIONS

To assist you in planning for your participation in the forthcoming convention, we are certain you will appreciate knowing in advance that union labor will be required for certain aspects of your exhibit handling. To help you understand the jurisdiction the various unions have, we ask that you read the following:

DECORATORS UNION

Members of this union claim jurisdiction over all set-up and dismantling of exhibits including signs and laying of carpet. This does not apply to the unpacking and placement of your merchandise. You may install and/or dismantle your exhibit display if one person, who is a full time employee, can accomplish the task in an hour or less without the use of tools.

If your exhibit preparation, installation or dismantling requires more than 1 hour, you must use union personnel supplied by the Official Decorating Contractor.

As an exhibitor, you will be pleased to know that when union labor is required, you may provide your company personnel to work along with a union installer in Southern California on a one-to-one basis.

TEAMSTERS UNION

This union claims jurisdiction on the operation of all material handling equipment, all unloading and reloading, and handling of empty containers. An exhibitor may move the material that is hand carryable by one person in one trip, without the use of dollies, hand trucks or other mechanical equipment.

SAFETY

Standing on chairs, tables or other rental furniture is prohibited. The furniture is not engineered to support your standing weight. Freeman is not responsible for injuries caused by improper use of furniture.

TIPPING

Freeman request that exhibitors do not tip our employees. They are paid at an excellent wage scale denoting a professional status and we feel that tipping is not necessary. This applies to all Freeman employees.
